**ACR ELECTRONICS, INC  
STANDARD TERMS AND CONDITIONS FOR THE SALE OF GOODS  
AND SUPPLY OF SERVICES**

Unless otherwise agreed to, this Sales Order is accepted pursuant to ACR Electronics, Inc.'s (ACR) Standard Terms and Conditions available at [https://www.acrartex.com/medfa/1329490/acr\\_conditions\\_of\\_sale\\_14012lkmr\\_.pdf](https://www.acrartex.com/medfa/1329490/acr_conditions_of_sale_14012lkmr_.pdf)

The terms and conditions of the Contract are deemed incorporated into this Sales Order and, together, they shall form an Agreement separate from any other in accordance with Clause 1 of the Contract. The Purchaser specifically by placing this Order accepts the terms and conditions of the Contract and that such terms and conditions shall be binding and governing over this Order.

This Purchase Order will be deemed accepted by the Supplier the earlier of (i) the Supplier's written acceptance of the Terms and Conditions; or (ii) the Supplier's commencement of the performance required under the Purchase Order; or (iii) If Purchaser does not accept or reject the Order within the said seven (7) day period, the Order shall be deemed accepted by Supplier.
