This is in exchange for your repairable core to be shipped to PWCS. Your repairable core must not be incident related or removed from an engine operated under military conditions.

Cores that are not returned to PWCS within 15 working days to the following address are subject to a non refundable core charge invoice.

Pratt & Whitney Component Solutions

Attn: Core Returns

4905 Stariha Drive

Muskegon, MI 49441

Additional charges may apply based on condition and/or configuration of core unit returned to PWCS.

"PWCS is not responsible for any fees associated with the return of your owed core, including but not limited to transportation charges, duties & taxes and customs clearance."

The export is made under the authority of "No License Required" (NLR).

These commodities, technology, or software were exported from the United States in accordance with the export administration regulations. Diversion contrary to U.S. law is prohibited.
