

AERO PB

we keep you flying far and wide

Aero PB is your trusted supplier for Aircraft Spares & Services

Aero PB is a leading provider of aeronautics parts and services. We keep airlines flying far and wide. We offer parts, chemicals, tools, ground support equipment, roll materials and consumables for commercial **airplanes** and **helicopters**.

Aero PB is focused on the needs of the customers. We help in AOG and Critical situations. You can consult with us for any hard to find or obsolete parts. We offer chemicals, tools and ground support equipment as well to help you with the maintenance of your **airplane** and **helicopter**. Rotables and avionics you can find with us on outright, exchange and repair service. We are dedicated to providing aftermarket expendables to the aviation industry, aircraft interior and exterior and prepares them for just-in-time availability to MRO's/Repair Stations, Airlines and Distributors.

As an ISO 9001:2015 certified company, Aero PB follows the requirements, specifications, guidelines and characteristics set forth to ensure that we guarantee a high level of quality assurance at every stage of our projects. The parts we provide are certified according to FAA, EASA, CAAC, SCAA and OEM standards.

To ensure quick delivers and cost-effective solutions we are constantly expanding our stock of spare parts and components.

We are here to support you!
