RECHANGES ET OUTILLAGES HELICOPTERES
(en Euros (€) et hors taxes)

Applicable à partir du 19 février 2024

EDITION FÉVRIER 2024

DAUPHIN

PRICES
SPARE PARTS AND GROUND SUPPORT EQUIPMENT
(in Euros (€), without tax)

To take effect from the 19th february 2024

ISSUE FEBRUARY 2024

Tous les prix figurant dans cette liste de prix sont uniquement fournis à titre de référence, au 19 février 2024.
Airbus Helicopters se réserve le droit de les modifier à tout moment et en particulier à l'occasion de mises à jour régulières en cours d'année.

Le prix effectif des articles commandés sera officiellement confirmé dans l'accusé de réception du bon de commande.

Les prix sont indiqués en euros (€), hors taxes, Free Carrier locaux d'Airbus Helicopters ou plates-formes logistiques (FCA - Incoterms® 2010), y compris l'emballage standard.

Toutes les commandes de moins de 200 €, hors taxes, seront facturées dans ce montant minimum de commande.

Les commandes seront servies selon le conditionnement minimum indiqué dans le tarif. La quantité de pièces contenue dans le conditionnement pourra évoluer en cours d'année.

Nous tenons à votre disposition les Conditions Générales de Vente auprès de votre correspondant Airbus Helicopters habituel.

All the prices appearing in this pricelist are provided for reference purposes only, as of 19th february 2024.

Airbus Helicopters reserves the right to modify them at any time and in particular upon regular updates within the course of the year.

The effective price of ordered items will be officially confirmed in the acknowledgement of order receipt. The prices are listed in Euro (€), excluding taxes, Free Carrier Airbus Helicopters facilities or logistic platforms (FCA - INCOTERMS® 2010) including standard packaging.

All orders below 200 € excluding taxes will be invoiced in that minimum order amount.

Orders will be processed according to the minimum packing units indicated in the pricelist. The quantity contained in one package may change during the year.

The Standard Conditions of Sale are available from your usual Airbus Helicopters key contact.

Les informations mentionnées dans les colonnes correspondent :
The individual columns include the following information:

UoM: Unité de Mesure / Unit of Measure

Indique la mesure des quantités. L'UoM est l'unité utilisée pour COMMANDER

Details the measure of the quantities and is used to pass an order

UoI: Unité de Vente / Unit of Issue

Indique le contenant, la mesure ou la forme d'un article

Details the type of package, the measure or the shape for the part number

- **BG** : Bag/sachet
- **ME** : Meter/ Mètre
- **M2** : Square Meter/ Mètre Carré
- **PC** : Each/Pièce
- **BX** : Box/Boite
- **KG** : Kilogramm/ Kilogramme
- **LI** : Liter/Litre
- **RO** : Roll/Rouleau
- **CN** : Can / Can

QUI: Quantités par conditionnement / Quantity per package

Indique le nombre de mesure (UoM) contenues dans le conditionnement

Fixed UoM quantity contained in one package

Price per package (in EURO): Prix de vente par conditionnement (en EUR)
