All items are subject to prior sale. The total above reflects a 3% discount for paying via cash, check or wire transfer.
All cores are due within 15 days, at customer expense, unless previously arranged.
All exchange prices are based on exact part number being returned as a core. All cores must have a legible data plate with part number and serial number. DK Turbines reserves the option to charge a 20% restocking fee on all returned parts. DK Turbines warranty for new or overhauled parts is six (6) months and serviceable parts is three (3) months from the date of shipment.
If a returned core requires parts/labor above normal overhaul/repair requirements, then you will be subject to supplemental charges.
Customer will be responsible for core evaluation fee if deemed BER by shop.
