Quotation Acceptance

A Purchase Order has to be issued and forward to us upon agreement of the quotation. Once a PO has been issued to GTA customer hereby agrees with the terms & conditions stipulated in this quotation offer.

Quotation Validity: 30 days**Payment Terms:** Cash on delivery**Quotation Acceptance**

A written agreement has to be issued and forward to us upon agreement of the quotation.

In the event that unforeseeable damages are found, you will be informed and additional cost will follow

Due to the nature of our activity, the need for additional work may only become apparent after your acceptance has been received, as such need was not identified at the time of evaluation. In this case, we would have to:

- Postpone work performance,
- Issue a quotation corresponding to the work actually needed.
- Submit the quotation for your approval

Price quoted for your Equipment return Engine free from erosion, corrosion, overheating, surge, accident and abnormal physical damages (other than above findings). However, upon TURBOMECA workshop inspection, if your return Equipment is found with any of the above-mentioned, GLOBAL TURBINE ASIA reserves the right to issue supplementary invoice as appropriate.

The acceptance of the present document converts this offer into a contract in accordance with the latest issue of the GLOBAL TURBINE ASIA General Sales Conditions and Incoterms which are deemed to have been read and accepted by the Customer.

We look forward for your confirmation.
