OVERHAUL PROPOSAL

Reference : SO-004840 Rev 2

Date : 29TH July 2024

Quotation Acceptance

A Purchase Order has to be issued and forward to us upon agreement of the quotation. The present document is governed by the latest issue of GLOBAL TURBINE ASIA SDN BHD (GTA) General Sales Conditions which are deemed to have been read and accepted by the CUSTOMER. Once a PO has been issued to GTA, CUSTOMER hereby agrees with the terms & conditions stipulated in this quotation offer.

Due to the nature of our activity, the need for additional work may only become apparent after your acceptance has been received, as such need was not identified at the time of evaluation. In this case, we would have to:

- i. Postpone work performance.
- ii. Issue a quotation corresponding to the work actually needed.
- iii. Submit the quotation for your approval.

The acceptance of the present document converts this offer into a contract in accordance with the latest issue of the Global Turbine Asia's (GTA) General Sales Conditions which are deemed to have been read and accepted by the CUSTOMER.

Quotation Validity

30 Days

Payment Terms

100% payment upon Purchase Order

Refusal of Quotation

If the Customer rejects or refuses the present Quote within thirty (30) days from date of issuance, the Customer will be provided with written notice to GTA to collect such equipment and / or part within fifteen (15) days following its rejection of GTA quote;

In the event that Customer either fails or refuses to collect the equipment / or part, GTA will issue to the Customer a written proposal to transfer the ownership of the equipment and/ or part to GTA;

In the event that Customer accepts GTA's proposal for ownership transfer and returns the signed document to GTA, GTA will proceed to scrap and destroy or to repair the equipment and/ or part at its sole discretion (scrapping as per the conditions specifically drawn up for each family of engines)

In the event that Customer either fails or refuses to accept GTA's proposal or collect the equipment and /or part within twelve (12) months, then such equipment and /or part shall be deemed abandoned by Customer and GTA will take the necessary and appropriate lawful steps to instigate an immediate sale of the abandoned equipment and /or part in order to recover what the amounts due it from customer as a result of the investigation and storage of the equipment and /or part.

In the event that the Customer does not accepts GTA's Repair/Overhaul Quote within thirty (30) days from date of issuance, GTA will invoice the work corresponding up to (disassembly, cleaning, investigation/inspection) and including the quote preparation and possible update (specific charges for each family of engines).

Upon expiration of the thirty (30) days period GTA will propose to:

- a) Return the engine and /or parts/ equipment in accordance with the terms defined hereunder. In this case, prior to engine and/ or parts / equipment return, the customer shall provide a release to GTA confirming that repairable Parts will not be used or sold to third parties for installation on a TURBOMECA engine.

OVERHAUL PROPOSAL

Reference : SO-004840 Rev 2

Date : 29TH July 2024

- b) Buy back the engine and /or parts / equipment for an amount which corresponds to the level of work carried out on the engine.
- c) Keep the engine and/or parts/equipment at GTA without commencing the repair. In such case Customer shall be liable and invoiced the daily cost for storage for this equipment: 50 EUR per day per complete engine, 15 EUR per day per module if the engine is incomplete, 15 EUR per day with TBO Accessories, 15 EUR per day if for EECU, 15 EUR per day for other accessories, 15 EUR per day for internal parts.

Failing receipt of a reply from the Customer on one of the three options above within one week, clause c) shall automatically apply.

Late Payment

In the event that payment is not received in full on the agreed due date, the customer will be subject to a penalty for late fulfilment of payment of fifteen percent (15%) per year that is calculated on a prorated basis of the total amount (including taxes) of the invoice, to be counted from the date of payment indicated on the invoice until full payment of the invoice is made.

Delivery of Equipment

GLOBAL TURBINE ASIA shall deliver to the CUSTOMER as per EXW Global Turbine Asia Sdn Bhd Facility in accordance with the ICC 2010.

The CUSTOMER agrees not to disclose to any third party the content of this commercial proposal during the validity of this offer.

Reception of Customer's equipment

The CUSTOMER's equipment, which should be sent to GTA in exchange of the standard exchange Equipment provided by GTA, shall be delivered D.A.P. to SafranHE Asia or other place designated by SafranHE within 10 days after delivery of the standard exchange equipment to the CUSTOMER by GTA.

Penalty Policy

Any delay after ten (10) calendar days in delivering said Goods shall be subject to late penalties in the amount of:

- Engine and Modules: two hundred fifty (250) euros
- Accessories: seventy (70) euros

per day late from the first day of delay.

Should the Customer fail to return the Goods or the Customer Goods within forty-five (45) days from the delivery by GTA to the Customer of the Good under a Standard Exchange, and then such delay shall be deemed to be a refusal of delivery by the Customer. In this case, GTA shall be entitled to invoice to the Customer as a fixed indemnity the spare price of the Good which is not returned, in accordance with the Catalogue in force at the date of the invoice. Such GTA 's right shall be in addition to the right of GTA to claim for penalties for late delivery.

We look forward to your order confirmation.

Best Regards,

NATASHA JANE
