### Quotation Acceptance

A Purchase Order has to be issued and forward to us upon agreement of the quotation. Once a PO has been issued to GTA, customer hereby agrees with the terms and condition stipulated in this quotation offer.

- Spares / Consumables will be as per actual.

In the event that unforeseeable damages are found, customer will be informed and additional cost will follow. Due to the nature of our activity, the need for additional work may only become apparent after customer acceptance has been receive, as such need was not identified at the time of evaluation. In this case, we would have to:

- Postpone work performance
- Issue a quotation responding to the work actually needed
- Submit the quotation of customer approval

Price quoted for your Equipment return Engine free from erosion, corrosion, overheating, surge, accident and abnormal physical damages (other than above findings). However, upon TURBOMECA workshop inspection, if your return Equipment is found with any of the above-mentioned, GLOBAL TURBINE ASIA reserves the right to issue supplementary invoice as appropriate.

The acceptance of the present document converts this offer into a contract in accordance with the latest issue of the GLOBAL TURBINE ASIA General Sales Conditions and Incoterms which are deemed to have been read and accepted by the Customer.
