Proposal #S2209174  
End User: MME  
RE: Desiccants

Dear Hama,

Teledyne FLIR Surveillance, Inc. is very pleased to offer the following quotation for pricing as requested.

Seller's Offer, and any order issued by Buyer to Seller for the goods and/or services specified herein, is strictly limited to Seller's General Terms and Conditions of Sale, which can be found at <https://www.flir.com/corporate/reseller-and-customer-information/>.

Warranty: New spare parts are warranted for a term of 6 months or 500 hours whichever occurs first.

All prices shown on Spare Part Quote, attached, are quoted in US Dollars and valid for 90 days. Indicated lead times and delivery dates are estimates limited to stock on hand after acceptance of your purchase order. Payment terms are Cash In Advance.

- Commercial pricing provided to all customers.
- No minimum order requirement.
- No economic order quantity breaks apply.
- Certificate of Conformance is provided at no additional cost.
- Items quoted are only factory new product (FN).
- Buyer may request cancellation of its purchase of parts if Seller consents in writing. Buyer's cancellation is conditioned on Buyer providing a written notice to Teledyne FLIR Surveillance, Inc. prior to shipment of the part. Cancellation before shipment of the part shall be subject to a twenty percent (20%) cancellation charge. Cancellation after shipment of the part shall be subject to a twenty percent (20%) charge for each part being returned, plus a fifteen percent (15%) restocking fee. At Seller's discretion, credit amounts shall be subject to a set off or recoupment for any present claims against Buyer.
- Warranty term for OEM/Integrator's purchase orders are transferable directly to the end user.
- The products, data and/or services described herein are subject to the International Traffic in Arms Regulations (ITAR) (22 C.F.R. Sections 120-130).
- The products, data and/or services described herein are subject to the Export Administration Regulations (EAR) (15 C.F.R. Sections 730-774).
- The products may not be used in the design, development, production, or use of nuclear, chemical, or biological weapons or missiles.
- Shipping charges are not included in this quotation and delivery terms are shipped within the United States FOB Origin, and outside the United States FCA (INCOTERMS 2020)
  - If shipping instructions are not provided with your purchase order or contract, Teledyne FLIR Surveillance, Inc. reserves the right to deliver the goods freight prepaid via a common carrier of our choice and add the shipping cost to your invoice.
