Nor

We can service it, estimated price to be range from SGD 4,500.00 to 5,000.00. inclusive of mandatory spare and hydrostatic test of cylinder. We are checking with supply chain whether we have adequate mandatory spares before get back to you.

Kindly advise your deadline needed, as due to the COVID-19, we are working on with min manpower requested by MTI authority regards

Eddy Eyo

Sales Manager – Flight Safety Division
