Delivery See Below

Additional Information

Estimated Lead Time Clause

Estimated lead time at 26 weeks, subject to change. Actual lead time will be confirmed at order acknowledgement.

Early Delivery

If an early delivery date is acceptable please advise 'ED' is acceptable on your PO.

Request for Expediting Orders

If you would like to request an expedited lead time based on the lead time on this quote please advise us and note that a minimum 25% of the total order value would be applied based on evaluation.

Licensable Product

The above Chelton part number(s) is classified as a UK export controlled product, therefore a completed end user destination form (page 3) would be required at the time of order placement in order to comply with U.K. export control procedures.

C of C

All products are delivered with a Certificate of Conformance. If a valid equivalent part number needs to be added to the CofC, please note on your PO.

EASA Form 1

EASA documentation must be requested when you submit your PO and will be provided if applicable.

End User Information

The end user destination form supplied with your quote must be completed when submitting your PO. Failure to complete the end user destination form may delay your shipment date.

Freight Details

Please provide courier details, freight account number and delivery terms of EX works on your PO.

Test Results

Test Results must be requested when you submit your PO and will be provided if applicable.

Quote Issued by: Jay Kim

Notes

- 1) Chelton Limited holds approval to CAA 21G, EASA 145 and AS/EN9100
- 2) Warranty is 12 months from the date of delivery
- 3) Chelton Limited standard terms and conditions apply
(A copy is available at www.chelton.com/terms-and-conditions or on request)
- 4) Prices exclude VAT and all other taxes, duties and charges.
- 5) Minimum order value £750
- 6) Carriage terms above are defined in Incoterms 2020
- 7) Goods for dispatch out of the mainland UK may require an "End User Undertaking" and Export License
- 8) Goods shall not be resold or exported to countries specified in the Country Guidance Chart which can be found at www.chelton.com/export-guidance without prior written approval from Chelton.
