**Manuals**

The latest issue of the relevant manual is available on request. It is the responsibility of the customer to ensure that they have, and are working from the correct issue. The list of manuals can be found on our Website at: [www.irvingq.com](http://www.irvingq.com)

**Live Packing**

Parachute Assembly will be supplied "Not Packed For Use" unless the Customer requests otherwise. This will involve an additional charge.

**Pricing and Planning**

This quotation contains pricing information and is to be used for planning purposes only.

This document does not make any commitments on the part of IrvinGQ Ltd and in no way should be construed as a contract or an intent to conduct business. Upon completion of IrvinGQ Ltd's internal review, a formal contract will be negotiated between the parties.

**Minimum Order Value £500**

**Export Control**

The Company recognizes that the export of Goods and Technology herein may be subject to UK export control regulations. As a condition of acceptance of the quotation and issuance of any subsequent order hereto that the Goods and Technology will not be used for the purpose associated with any chemical, biological, nuclear weapons or missiles capable of delivering such weapons, nor will they be resold if it is known or suspected that they are intended for such purposes. An end user undertaking may be required from you at order placement. If you intend to export the goods from the UK, it is your responsibility to obtain the correct licence from the Export Control Organisation (ECO)

**Delivery**

Please note our forecast delivery is an indicative lead time at the date of the IrvinGQ Ltd quotation based on capacity forecasts and raw material stocks. It is not a commitment from IrvinGQ Ltd as to the lead time at the date of placement of order. Lead time will be confirmed upon issue of IrvinGQ Ltd's formal Order Acknowledgment.

**COVID-19 Statement**

The Company (IrvinGQ Limited) shall be entitled to suspend any subsequent contract and/or delay or cancel delivery or to reduce the quantity delivered if it is prevented from or hindered in or delayed in manufacturing, obtaining or delivering the Supplies and/or Services by normal route(s) or means of delivery as a direct or indirect result of COVID-19 and the Company shall have no liability in relation to any failure by it to perform its obligations by reason of such prevention, hindrance or delay.
