Compliance with all U.S. government regulations related to the use, possible transfer, re-sale or export of this product(s) is the responsibility of the purchasing party. The purchasing party must determine if the material(s) in question is controlled and/or restricted by U.S. government regulations. If the item(s) is U.S. government controlled material(s), it is authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. It may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in the original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations.
