WireMasters now offers in-stock and stock-to-build Mil-Spec connectors and harness management products including braid, cable ties, markers, molded shapes, sleeving, tapes, tubing, and more! Ask your WireMasters contact about sourcing every component for your harness. All stock is subject to prior sale. Lead times are based on current availability and are subject-to-change. Unless otherwise stated in writing, all quotes are subject to tolerances of +/- 10% and all lengths are provided to the Mil-Spec. A \$50 minimum applies to all orders. We are dedicated to your satisfaction, so please contact us with any questions

Compliance with all U.S. government regulations related to the use, possible transfer, re-sale or export of this product(s) is the responsibility of the purchasing party. The purchasing party must determine if the material(s) in question is controlled and/or restricted by U.S. government regulations. If the item(s) is U.S. government controlled material(s), it is authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. It may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in the original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations.
