Hi Bob,

Thank you for contacting us. The AV-15 is \$1,495.00. We also sell a 25 watt 40db attenuator for \$395.00 and a tripod stand for \$225.00. A Calibration paper is provided at time of purchase. You can send the unit back to us yearly for calibration, it costs \$150.00. We accept credit card, paypal, or bank wire transfer. I have attached a credit card authorization form. Please provide a shipping account or we can prepay and add the shipping charges. Please let me know if you have any questions.

Thank you and have a wonderful day!

Sincerely,
