MAINTENANCE SERVICE CONTRACT

THE AGREEMENT is between **KT HOIST & CRANE SDN BHD** (herein referred to as “the Company”) and **GALAXY AEROSPACE (M) SDN. BHD.** (herein referred to as “the Customer”)

The basis of the contract is as follows :-

- a) It is assumed that the equipment(s) to be covered by this Contract is crane.
- b) It is to be understood that the unit(s) to be inspected shall be readily available to the Company’s technician(s) during the normal working day, 8.30 a.m. to 5.30 p.m. on Monday to Friday. Any work required to be done outside these period shall be charge at overtime rates which are, plus 50% for normal overtime and Saturday from 12.30 p.m. onwards, and plus 100% for Sunday, Public Holidays and night work that’s after 12.00 midnight.
- c) The Company’s technician(s) shall, during his visit examine the unit(s) and carry out below scope which are necessary for the continued satisfactory operation of the equipment(s) under inspection. All other works and replacement of parts would be separately charged to the Customer. For the additional Service, please refer to the Service and Inspection Report.
 - 1) Check gear oil level
 - 2) Check lifting chain / wire rope
 - 3) Check brake lining
 - 4) Check control pendant
 - 5) Check gear wheel
 - 6) Check plain wheel
 - 7) Check contactors
 - 8) Check long travel / cross travel motors
 - 9) Greasing chain / wire rope
 - 10) Check rope / chain guide
 - 11) Check emergency brake system
 - 12) Check limit switches
 - 13) Repainting when doing overhaul job
- d) The Company will not be held liable for the loss or damage to your production output arising from the operation or failure of the equipment(s) of its controls during or after the servicing.
- e) The Company shall advise the Customer of the date/s on which it is intended to carry out the inspection(s). The Company reserves the right to make additional charges relative to any work or visits involved over and above the number of visits and/or work covered by this Contract should the inspector be prevented from carrying out his work on the arranged time.
- f) The Company shall submit a report to the Customer after each inspection, summarising our findings and making, where necessary, recommendations for any further work to maintain the equipment(s) inspected in safe and good working order.
