SUMMARY

Highly motivated, independence and has self-initiative attitude towards work. Very friendly, easy to communicate and able to work with any type of people.

HIGHLIGHTS

- Head of MHS SAFETY EQUIPMENT WORKSHOP(S/E)

ACCOMPLISHMENTS

Most notable accomplishment is to setup a complete Safety Equipment work shop from scratch until it was approved by DCAM. The setup is the result of the previous work shop has to be abolished. I am proud that I am able to setup the best work shop for the company and frequently being praised by various Auditors and visitors from all over the world.
