Title: Company Approval Stamp

Dear All,

Due to the ongoing Movement Control Order (MCO), QA department is currently unable to provide company approval stamp for approval holders. Affected company approval holder numbers are M036 onwards. Hence, those affected are required to write down their signature and approval holder number in place of a stamp for aircraft release purpose.

This memo shall be effective until MCO ceases to be in power and approval stamp being issued to affected approval holders. Any inconvenience caused is much regretted. Please do not hesitate to contact QA department for further information on the matter.

Thank you.

Omar Ahmad
