**Re:** Additional Base and Line Facility Procedure

---

Dear All,

2 new chapter of Engineering Procedure Manual GAM/EPM/Issue 1 has been issued as per below:

1. EPM2-07: Control of Aircraft Parts/Consumable
2. EPM2-08: Control of Aircraft Documents

The EPM is to ensure the control of aircraft parts, consumable and aircraft documents other than GAM's Main Base at MIAT are properly manage, control and record as required by the regulation.

All personnel working at other than GAM' Main Base MIAT are required to follow the procedure.

Strict Compliance is required by all concerned.

Thank you.
