Re: Company Approval Authorisation Renewal

Dear all,

Reference:

1. Maintenance Organization Exposition (MOE) part 3.4.2, para 5.

All certifying personnel involved with aircraft release to service must have at least 6 months of actual relevant aircraft or component maintenance experience in any consecutive 2-year period.

In order to ensure that the above requirement is met, certifying staff is required to provide proof of involvement with aircraft release to service in the form of Work Schedule upon renewal application using form GAM/Q-014, along with evidence of continuation training.

Please do not hesitate to contact QA department for further information on the matter.

Thank you.
