Kindly reminder to all, please note that item no. 25 (AW189) is just an update not an issue. Item no. 23 (AW189 IETP, Errata Corrige) has been incorporated in this issue. You may click (download) the application type as usual and it will automatically update your IETP.

Please note that item no. 20 and 34, you may open the Google Drive link above and download the Winzip file to your computer. You must open Pratt and Whitney Canada ETP, click the flag icon and choose the Winzip file you have downloaded and click add and it will automatically updated.

Please note that item no. 33, the process must be the same as above. Temporary revision TR 72-28 (item no. 32) has been incorporated in this issue.

Please be advised, all engineering and CAMO staff shall update their working computer (control computer) effected immediately. Software can be download from GAM Server.

Thank You.
