

# Galaxy Aerospace Safety Campaign 2023/2024

# SAFETY FIRST! WEAR PERSONAL PROTECTIVE EQUIPMENT

SCAN ME!

1

Wear reflective jacket wherever there is a risk from not being seen.

2

Use Personal Hearing Protection (PHP) to protect against noise.

3

Use safety goggles when working with chemicals, sparks, or radiation.

4

Wear safety gloves when handling heat, sharp objects, or chemicals.

5

Wear protective footwear to protect against impacts and slipping.

6

Use respiratory protection to protect against dust, fumes, vapours and other airborne hazards.

**SAFETY ALWAYS.**  
**" THINK SAFETY FIRST "**
