

SAFETY MEMO

To : All GAM Personnel
Date : 5th September 2023
Reference : GAM-SMS/COM/23/017-M
Subject : **EPOXY FLOORING AT HANGAR 2, MIAT.**

The Safety Department would like to inform everyone at MIAT hangar that the epoxy flooring project is scheduled to begin on 18th September 2023. The selected vendor will take approximately four (4) weeks to complete the work.

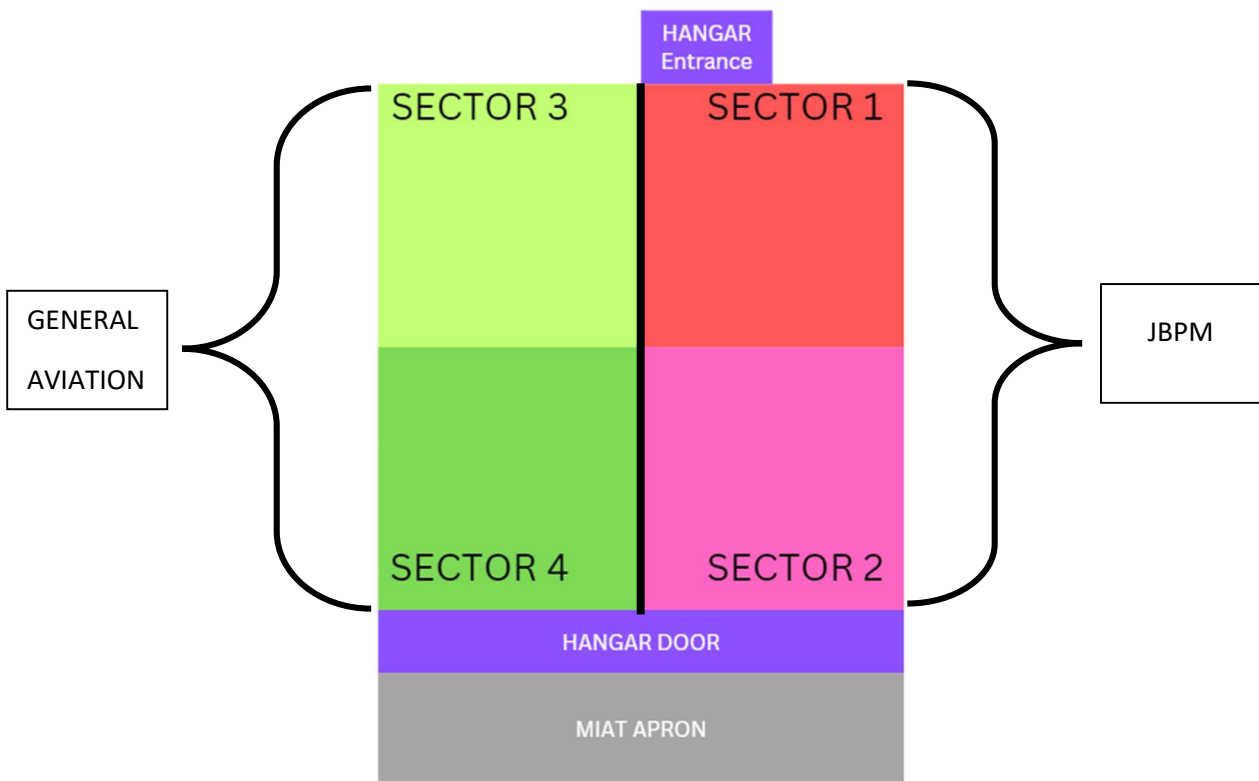

Planning:

The hangar 2 floor will be divided into 4 sectors. Each sector will take around seven (7) days to complete.

Below is the estimated date for the flooring works:-

SECTOR 1: 18 th – 24 th Sept 2023	SECTOR 3: 2 nd – 9 th Oct 2023
SECTOR 2: 25 th Sept – 1 Oct 2023	SECTOR 4: 10 th – 16 th Oct 2023

- *Changes to be applied.*

The Safety Department recommends that JBPM and GA engineers schedule their daily tasks to allow space for the epoxy flooring project to be completed.

It is advised to all heads of department to disseminate this information to all MIAT staff and have this displayed on the notice board for awareness.

All inquiries can be directed to the Safety Department via email or cell phone.

Your attention will be greatly appreciated.

Kind regards
