Revised data will appear in Jeppesen Obstacle Database for cycle 2202, effective 24 February 2022. Until then this Alert will be posted on the Jeppesen Web site: <u>Notices and Alerts</u>. Please refer to the local NOTAMs for valid information.

If you have questions concerning this Obstacle Alert, please contact Jeppesen Technical Support at: U.S. Toll Free: 1-800-353-2107 | extension 4445

Direct: 1-303-328-4445
E-mail: gisdatasupport@boeing.com

Obstacle Alerts are published to advise users of significant issues in Jeppesen Obstacles Database which may affect flight operations or safety. Alerts are not distributed by Jeppesen to individual airline, business aviation or general aviation pilots, but are available to them on the Jeppesen Web site. Different avionics equipment and computer systems use and display obstacle data differently. Avionics users should consult with their database update Service Provider for definitive information on whether their system is affected by this Alert.
