

To: All Engineering Department, CAMO Department & Operators.

From: CAMO

CC: Quality Assurance Department

Issue: 18 June 2019

Subject: SIL NO PT6C-032 – Compressor balancing weight liberation events.

Dear All,

Service information letter for engine PT6C fitted on AW139 aircraft has been published through Pratt & Whitney Canada Portal. Kindly refer SIL PT6C-032 for your acknowledgement.

Thank You.
