Dear Leslie,

With reference to the above subject, enclosed herewith is a revised Workshop Capability List Issue 1 dated 10 June 2024 for your kind acceptance. The reason of revision is the inclusion of several P/Ns for ELT under Artex. We've performed self-evaluation of those additional PNs and found all necessary facility, personnel, equipment/tooling and maintenance data are satisfactory and sufficient.

Your support is highly appreciated.

Thank you.

Regards,
