

## **SAT - Assessment Rules & Regulations**

The purpose of assessment is to measure the practical competency of a candidate. The assessment should aim at measuring the competency by evaluating candidate's knowledge, skills and attitude associated to the learning objectives.

The assessment shall:

- 1 be carried out using SAT's approved assessment kit(s) and assessed by the approved practical assessor
- 2 ensure evidence of knowledge, skill and experience acquisition and determine whether the candidate is competent at using tools and equipment and working in accordance with the applicable manuals
- 3 emphasise on candidate's situational awareness ability and the application of safety principal
- 4 be conducted in a secure and confidential manner and practical assessor will be responsible to ensure the security and confidentiality of all assessment question
- 5 only be conducted at the appropriately enclosed and secured approved location (As scheduled)
- 6 be conducted without the candidate carrying any instructional material pertaining to the assessment, other than the assessment kit(s) and associated authorised documents
- 7 be conducted in a control environment where only the practical assesor and scheduled candidate present for the assessment session (an observer can also join the session with approval from Examination Manager but should not be the person deciding the candidate's competency level)
- 8 be conducted in a professional manner and recorded for audit purpose

**Note:**

*Handphone(s) or any similar devices are NOT ALLOWED during conduct of assessment.*

*Wear a proper attire for the assessment(s). Avoid wearing sandals, ripped jeans and T-shirt for the assessment as you may not be allowed to enter the assessment room.*
