Dear Sir,

Good morning. Due to the planned flying program for the AW139, there will be a holiday break from next week onwards Monday the 20th of Dec 2021 until the first week of January 2022. We are taking the opportunity to reduce the cost and conserved our manpower utilisation. As for this reason, we have decided to suspend the engagement for the time being until the next plan flying program. Planned date is on the 3rd of Jan 2022.

We will provide arrangement for the travel for LAE Mr. Hj Amran , who is on site at the moment for his return home. The next activation date will be communicated once we got the confirmation notification from our flight operations for a firm date.

We would like to express our gratitude for the great support and assistance so far and looking forward for even greater collaboration. We would like to take the opportunity to wish you a happy new year and have a great holidays.

Thank you and see you next year.

Sincerely
