Dear Boss.

I would like to say thanks for your reply.

As this seminar is regarding aviation safety and it is organised by CAAM. Discarding this invitation will affect the relationship between the company and the organiser.

With a passion for SMS, this opportunity is a great platform for expanding experience and knowledge. Due to that, I am proceeding to join the event.

Since the opportunity given by Allah s.w.t to me, it is worth the risk.

As per your advice, I will do the necessary action needed regarding my attendance at this event.

I also do hope you not take this personally, thank you for your unsupportive email. It is much appreciated.

Regards

**Syed Mohd Rastam Jamalolail Syed Ikmal Hashim**
