

Dear Sirs,

Medical Leave Application Due to Diarrhoea

I'm Khalish Nazli, writing this leave application for requesting my medical leave for 29th Nov 2022 as I'm having diarrhea or stomach-ache. I'd believe it is due to my improper eating habit or the food quality. I am not applying for MC at nearby clinics due to my capability that need to be near the nearest toilet and still don't get the MC cards.

Though, I'm still completing my job and tasks during staying in home and hopefully may resolve the issue asap.

Looking forward to my health condition for tomorrow.

Best Regards,

Khalish Nazli
