Dear Madam,

APPLICATION FOR VARIATION TO AMO APPROVAL, AMO/2016/02 – TO ADD LINE & BASE MAINTENANCE CAPABILITY FOR AIRCRAFT A109E.

The matter above refers,

1. We wish to inform your good office that we would like to submit an application for variation to CAAM AMO approval, no. AMO/2016/02 for class: Aircraft, Rating A3, Helicopters. This variation application pertains the addition of A109E into our capability list.
2. The proposed location for line and base maintenance for said aircraft is at one of our approved maintenance locations, UniKL MIAT. The hangar size is adequate to support A109E maintenance operation. GSE for said aircraft will be provided as stated in the 'Statement of Work' attached along with this letter.
3. Several nominated LAEs are also listed in the audit report. They are segregated into B1.3, B2 as well as C category, with abundance of experience in aircraft maintenance between them. The nominated LAEs are as follows:
 - a. Mohammad Faizal bin Aziddin, B2 & C category
 - b. Adzraei Hasiff bin Dzulqarnain, B1.3 category
 - c. Azhari bin Rimbun, B1.3 category
4. General tools and Calibrated tools are available to be used at UniKL MIAT hangar. Special tools to be used for A109E maintenance is also available via agreement with Agusta Westland Malaysia Sdn Bhd.
5. Complete maintenance data for A109E is also available to be used for maintenance, and is reflected in the publication master list. Refer attached publication master list.

To support the application, please find attached documents as follows:

1. Internal Audit Report No. IAR-2019/053.
2. Non-compliance request for IAR-2019/053 no.1, no.2, no.3 and no.4.
3. Publication Master List, GAM-P-2019-15.
4. Part 145 AMO Manhour allocation.
5. Technical Specification (Statement of work) for A109E

We look forward to your kind assistance and consideration on this matter.
Thank You.

Best Regards,
for and on behalf of
GALAXY AEROSPACE (M) SDN BHD
