Dear En Amir,

I have entered your email address incorrect, please find below with the trail email to include EC175B for Mass and Balance approval into your MBP.

If you have further enquiry please let me know.

Regards,
Thaddeus

Dear Zaty and Amira,

Just checking, is the message received?

Regards,
Thaddeus

Subject: Inclusion of EC175 into Mass and Balance Approval

Dear Zaty and Amira,

Hope you guys are doing fine. I would like to inform you that Mr Ahmad Akmal, has successfully completed his EC175 Gen Fam training organised by our company.

Appreciate if you can commence including EC175 MBR and MCGS into your approval system. If possible we would like to have the approval be ready by 20 Nov 2022, this is because our aircraft has been informed to deliver early by Dec 2022. And MBR and MCGS will be one of the item to receive CAMO and CofA of the aircraft later.

Hope you are able to include the approval. If you require any supporting from us, please do not hesitate to inform me.

Best Regards,

Thaddeus Pang Ket Hyuin
