Walaikumussalam,

Dear Tuan Zulfakar,

1. We would like to congratulate on the CAMO approval received.
2. My team will prepare the records handover accordingly and shall notify you upon readiness, expected to complete by end of next week.
3. Noted on the tentative schedule for the C of A submission and our ARS shall prepare the ARR accordingly.
4. Looking forward to receiving the approved CAME and AMP.
5. In addition, please be advised that concession approved by CAAM under GAM CAMO previously shall be invalidate. GAS CAMO shall apply to CAAM for approval if it still requires.

I remain at your disposal for any further assistance. Thank you.

Best regards,  
Zaty Nadhira bt Mohamed Zuhari  
CAM Manager  
Galaxy Aerospace (M) Sdn. Bhd.

Dear Puan Zaty,

Assalamualaikum.

1. This is to officially inform you that Gading Air Services (GAS) has been successfully approved as a CAMO.

This achievement may not be possible without the cooperation and assistance from your office and your team on the floor.

We would like to express our deepest gratitude and appreciation for your support. We are forever indebted to you and your team.

Please find enclosed a copy of the CAMO Approval.

2. Moving forward, the Transfer of all updated documents and records for 9M-GAS from GAM to GAS is probably the only immediate action required. We look forward to further updates from you on this matter.

3. The C of A for 9M-GAS requires re-application.

GAS CAMO shall do our part in the preparation and submission of the C of A Application post current SMI which is expected to complete in the 3rd week of January 2024. The ARR for the C of A application will come from GAM's ARS. We would appreciate it if the ARR can be initiated right away. We target to submit the C of A Application in the final week of January 2024, with the aim for the C of Audit exercise to happen in the first week of February 2024.

4. It is our responsibility to provide a copy of the CAME and AMP to you and GAM's QAM. We will submit these soon.

Please feel free to communicate any concerns or questions to us. Thank you.

salam hormat,

Zulfakar Alang Ahmad.

AM/CAM,

Gading Air Services.
