### PERSONAL PROFILE

---

An ambitious, hardworking and good team leader with relevant knowledge and experience in base and line operation helicopter maintenance activities at MRO operation, SAR (Search and Rescue) operation and offshore operation had enhanced my communication and teamwork skills. My previous position as Maintenance Manager at BHIC AeroServices and acting chief engineer at Weststar Aviation Services enhanced my customer relation skills and team leader skills and at the same time developed my analytical thoughts and ability to work independently within a time limit. I am willing to learn and take any challenges in order to develop my skill and knowledge for better future.
