Salam and good morning,

AS365 N3 fleet, required 02x steel cabinet to store consumables item and a/c accessories due to requirement operation. Hopefully the steel cabinet can arrive before the first AMO Audit by DGTA in March 2023. It is a DGTA requirement to store all the consumables and a/c accessories in the split cabinet.

Thank you.

Regards,

Dear Mr Fadzlie,

Any update for this?

By the way, during the QA internal audit, there was a finding for this issue.
Hopefully, we can get an answer to clear the NCR.

Thank you,
