Dear all,

With the recent NCR issued by QA department on the archive room faulty door knob, this email serves as a notification and awareness to all for immediate reporting of any faulty equipment or any hazards identified upon discovery for rectifications.

Please find attached the previous guidelines issued by Safety department on the hazard reporting for your reference which can be found under GAMS Official Announcement.

Your kind attention in the matter is highly appreciated.

Best regards,

Zaty Nadhira bt Mohamed Zuhari
