Assalamualaikum and Good Day!

Dear ALL,

Attached is the Training Plan for August 2024. OA shall be issued and made available for viewing on GAMS Portal.

For those who have an interest in attending any of the classes but were not nominated, kindly send your request to your **HOD/EIC/Supervisor**. HOD/EIC/Supervisor will send to me the nomination by replying to this email and cc training@galaxyaerospace.my . Nominations only from HOD/EIC/Supervisor will be considered and processed.

Note: Nominees are required to click on the (YES/NO) button in the email invitation and provide proper justification if unable to attend the training.

I would like to remind you that attendance for all training sessions is closely monitored, especially by the management team. In the event that you are unable to attend scheduled training, we kindly request that you provide a formal justification via email.

For urgent in-house or outside training sessions which are not included in the Monthly Training Plan/Training Calendar Plan, the HOD, EIC or Supervisor must request through the e-TRF available on the GAMS Portal.

The final list of nominated participants will be emailed to the participants. This confirmation email will be sent out at least 2 days before the commencement of the relevant training course.

Should you require any further information or assistance, please do not hesitate to contact me.

Regards,

Danial Aiman Hakeem Yee
