Salam Marjaan,

Reference: IAR-2021/023-06

Finding: DURING QPM REVIEW ON VENDOR RECORD, FOUND VENDOR WH BRENNON FILE NOT INCLUDED WITH CAPABILITY LIST.

As part of our preventive measure on above NCR, kindly ensure our vendors, particularly Part 145 maintenance contractors to provide latest regulatory approval certificates and capability lists for our reference. Kindly state these requirements in your email during initial or renewal of Vendor Quality Assurance Evaluation Questionnaires.

Thank you.

Best Regards,
