

## MEMO

To : ALL GAM APMM Staff  
Date : 25 July, 2024  
Reference : GAM-APMM/MEMO/1/2024  
Subject : Limitation of Airside Vehicle Permit Usage for APMM's Tow Truck.

---

1. This memo is to inform you about the Airside Vehicle Permit (AVP) for the APMM's tow truck with reference number 2TD25-18477.
2. The AVP for the aforementioned tow truck is available. However, to ensure efficient operations and adherence to safety protocols, the Approved Maintenance Organization (AMO) has decided to restrict the use of this tow truck to the APMM Subang apron only.
3. The APMM's tow truck with AVP reference number 2TD25-18477 must not be used outside the designated APMM Subang apron area. This measure is taken to enhance operational efficiency and maintain strict control over equipment usage within the permitted area.
4. All personnel are required to comply with this directive and ensure that the tow truck is used strictly within the APMM Subang apron. Non-compliance with this directive may result in disciplinary actions.

Thank You
