Dear Ms. Nur Ain,

Thank you for your email and for highlighting the concerns regarding insufficient manpower due to the recent shift pattern changes at PG

I would like to inform you that the AMO Team has implemented a shift pattern adjustment, transitioning from 5 on 2 off to 4 on 2 off. This i

However, we recognize that the current shift pattern has contributed to delays in both maintenance and operations. We are actively moni

Thank you for your continued support and attention to this matter.
