Salam En Syed.

We wanted to bring to your attention that we have taken proactive steps to address the recent pest concerns within our facility. As part of our response, we have engaged a professional pest control company to conduct an inspection and implement necessary measures to mitigate the issue.

Currently, we are in active communication with the service provider to ensure that this matter is effectively managed. However, I must stress the importance of maintaining cleanliness within our premises to prevent any recurrence of such issues.

I kindly request your team cooperation in ensuring that all areas, especially those area of dining, are kept impeccably clean. This proactive measure will not only contribute to our ongoing pest control efforts but also foster a hygienic and environment for all staff members. Thank you.
