Dear EM En. Syafrul.

We received a report regarding one of our personnel being stung by a scorpion at the PGU KCH base.

As for immediate action, the personnel are sent to the clinic for further treatment.

As a long-term solution, I suggest implementing pest control measures at the PGU KCH base to prevent the spread of pests to other areas.

Kindly include us in your request email so that we can follow up on its status.

The Safer Card report is attached to the email for your kind reference.

Thank you.

Kind Regards,

Syed Mohd Rastam Jamalolail Syed Ikmal Hashim

Salam Mr Syed,

We acknowledge the situation in PGU Kuching base and shall take the necessary steps to control it.

Dear Amaluddin,

Please engage a local pest control vendor to perform a routine inspection and treatment at the affected facility.

Kindly liaise with the Admin Department, which is copied to this email for further assistance.

Thank you.

Best regards,

Syafrul Yamani Safruddin
