Dear Rastam,

With regards to the queries as per email below, here the answer as requested.

1. Why it occurs - This happened because of the resignation of Mr Hafizan who held the post of MIS Avionics on the last date on 30 August 2023.
2. What is the plan to counter - The person has been interviewed and discussed by SMM and Management to counter, however the person still wants to resign.
3. What is the action taken- An Interviewed has been conducted to offer Mrs. Shaifulizan who qualified to replace vacancy post as MIS Avionics and Maintenance Manager for AS365N3 team and only can be join Galaxy on October 2023 due to 3 months notice period with present company that he works now.
At Moment this post will be covered temporarily by Tuan Hj Idros as qualified MIS Avionics required by the Department based on as when required until a new MIS is reported.

With that explanation hope it answers your queries.

Thanks

Kindest Regards,
