Dear Boss.

We received a report regarding 2 unit FirEx at MTO that was found to have almost come to an expiry date of 27 May 2023.

The planning as follows:

1. To update our fire extinguisher register according to physical fire extinguishers in GAM.
2. To analyse the number of fire extinguishers that need servicing.
3. All fire extinguishers that have 30 days remaining for servicing to send for servicing.

Attached with the safer card report and the register mentioned above for your kind perusal.

Thank you

Kind Regards,
