Dear EIC En. Muqoddim.

We received an issue regarding the towbar incident. Because of this incident, the towbar wheel was damaged due to mishandling.

Need your kind attention to give feedback on the incident.

1. What is the immediate action taken after the incident occurs?
2. What is the next action to prevent from the incident happening again?

Attached with the report for your kind reference.

Thank you for your kind attention and support.

Kind Regards,

Syed Mohd Rastam Jamalolail Syed Ikmal Hashim

Dear Syed,

Immediate action was taken where the tow bar wheel replaced with the new ones. This incident highlighted in the toolbox meeting on the next day for all personnel to be more vigilance when handling equipment at all times. Practicing briefings before carried out any task at YTL hangar.

If there is other practices or instruction for safe working environment please do share with us to prevent any unwanted incident in future.

Best regards

Mohd Muqoddim

Dear En. Muqoddim.

Thank you for your kind response. Will take note on the mitigation action.
Since there's no recurrence in the incident, we considered your action is an effective mitigation action taken.

For future safer card to be raised, kindly brief others to insert 3 things in the report:

1. The hazard and its location.
2. What is the risk result from the hazard found.
3. Mitigation action taken for the hazard.

Please do not hesitate to contact me for any inquiry needed.
Your kind attention & action is highly appreciated.

Kind Regards,

Syed Mohd Rastam Jamalolail Syed Ikmal Hashim
