Assalamualaikum & Good day Tuan,

With reference to the Safer Card submitted through GAM Portal previously. The action and solution taken as listed below:

1. GAM-ENG/SC/23/0021 - Before drum refuelling, samples of fuel will be taken into the transparent container and if found any sign of impurities or FOD collected. The drum is rejected and labelled as unserviceable.
2. GAM-ENG/SC/23/0022 - The water detector has been provided by Petronas Bowser temporarily and the requisition has been made also through aeronet dated 9th June 2023 as per attachment.
3. GAM-ENG/SC/23/0024 - The drum refuelling staffs have been advised to wear the mask and PPE suit which are already available in GAMKK store. Please refer to the attachments.

Thank you Sir.

Best Regards,

Razduan Zainal
