Salam,

Dear Mr. Kushairi,

Based on the following assessment with NPH, please be informed that

1. The NPH (Quality Manager, Training Manager and Examination manager) are acceptable to CAAM.
2. Outstanding documents for AM to be submitted

-organisation structure and

-Resolution of board with regards to financial authority/power

We have made to understand that there is a possibility that AW 189 training may be conducted as a one off training. Therefore, kindly advise whether GAM wants to proceed with MTO application or one off.

Please be informed that we acknowledge receipt the examination papers for AW 189 and MTOE with compliance matrix.

Thanks & Regards,
