Dear management team,

As mentioned in previous email there are pending type rating allowance for the past 2 years and yet no action taken. This issue should not happen since I joined GAM for urgent vacancy due to few type rating in my license which is beneficial to the company

I would like to request for this new contract to revise my basic salary to RM 10000.00 to compensate for the pending allowance and back dated.

Secondly, AS 350 B3 (Series) just added to my approval to be used for company benefit and again request another RM2000.00 allowance for that particular type rating approval.

Thank you for your attention.

Best regards,
Mohd Amiruddin Azmi

Dear Mr. Amiruddin

We take note of your concerns. However, we would like to emphasize that we are not practicing salary increments/revision upon contract renewal for the time being. Moreover, for AMO Departments, all employment packages, salary, increments are strictly under HOD purview.

We understand and truly appreciate your contributions throughout your employment with us. You may refer or request with your HOD for further considerations.

Thank you

Stay Safe and Have a nice day !!

Dear Miss/Mdm,

Thank you for the new letter offer issued.

As per discussion prior to report duty on 4 April 2022, an allowance of RM 6000 agreed to be paid for my current 3 type rating EXCLUDING AW 139.

Unfortunately, only 2 type rating allowance paid instead of 3.

As an employee, RM2000 per month for 2 years is huge and very important issue which affect the performance.

This issue remain silent without any action taken for nearly 2 years.

Hereby, I request the remaining allowance prior to begin the new contract.

Again for this new contract, I request basic salary adjustment after 2 years serve the company.

Best regards,

Amir
