### Section 2: Work Objectives

As a CAAM Part 66 Category B2 license holder with electrical, instruments and radio coverage, and rated as per Section 4 of this CV, I hope to secure a position with your organisation; Galaxy Aerospace Sdn. Bhd. The opportunity to work with an organisation that manages the maintenance of various types of rotary wing and fixed wing brings a great interest to me. My work experience has exposed me to the environment of line, base/ hangar maintenance. In the recent years and to date, my responsibilities and scope cover both the management and commercial aspects of the work while overseeing the day to day of operations of the AMO.
