## Summary

Dedicated and detail-oriented CAMO Technical Service Personnel with a strong foundation in aircraft maintenance and continuing airworthiness management. Possessing a strong understanding of continuing airworthiness management and regulatory compliance. I am skilled in developing and implementing aircraft maintenance programs, minimum equipment lists (MEL) and aircraft reliability programs. Committed to upholding safety standards and optimizing aircraft performance, I am adept at reviewing technical documentation such as Airworthiness Directives and Service Bulletins. Seeking a CAMO Technical Service Engineer position which enables me to learn and contribute my knowledge in CAMO operations to a dynamic aviation organization.

## Work Experience

May 2023 -  
Present

*Galaxy Aerospace Malaysia (M) Sdn. Bhd.,  
CAMO Technical Service Engineer (Protege)*

- Develop and continuously update technical documentation such as Aircraft Maintenance Program (AMP) and Minimum Equipment List (MEL) in accordance with authority's requirements.
- Evaluate the applicability of instructions from authorities and manufacturers such as Airworthiness Directives (ADs) and Service Bulletins (SBs) to our aircraft
- Raised technical queries to OEMs and manufacturers for any discrepancies regarding maintenance, repair and overhaul of our aircraft.
- Involved in preparing the monthly statistics and reliability reports for aircraft under our CAMO by referring to the defects reports, unscheduled component removals, pilot's reports and other relevant reliability data.

January 2022 -  
July 2022

*Malaysia Airlines Sdn Bhd (under Star Tulip Aviation Sdn Bhd),  
Assistant Line Maintenance Technician KLIA*

- Assist LAEs and technicians in carrying out line maintenance activities on MAB 44 B737-800 fleet at KLIA terminal such as changing wheels and brakes, towing and engine ground run.
